

POV GUIDELINES

Vehicles are permitted on the Show floor under the following conditions.

1. The PCC "Display of Motor Vehicles" Safety Guidelines are followed.
2. The Approved General Contractor must supervise the vehicle movement, unloading and loading.
3. Vehicles may have a time restriction on the event floor which would be at the sole discretion of the contractor.
4. Vehicles may not Idle while Unloading and Loading
5. A clean-up plan must be in place to mitigate unsafe working conditions resulting from foul weather such as water, mud, dirt, snow, rain, ice, etc. prior to move-in.
6. All vehicles are required to be insured and evidence of such may be required.
